

The park committee is looking for citizen input for development of parks in Harrisville.

Main Park (1350 N. Highway 89)

The city recently improved the playground equipment at the main park. A grant has been applied for, which, if approved, will bring a splash pad to the city's main park along with other improvements to the softball field. We would like your input on the following: (use the back if necessary)

	<i>Strongly support</i>	<i>Mildly support</i>	<i>Not necessary</i>
Splash pad	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Trails around ballfields/along creek	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Softball field reconstruction	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Replace softball field snack shack/score building	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Replace softball field scoreboard	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Replace softball field lighting	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Replace bridge over Four Mile Creek	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Additional parking	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

750 W. Future Park

The city has the plan previously drawn for the park on 750 West. These ideas are not forgotten, but with the downturn in the economy, developing this area is on hold. Though the city is not in a position to complete the previous plan for this park, we welcome input from citizens on the use of this area.

Martin Henderson Harris Park (725 W. Harrisville Rd)

Some of the cement tables are broken and improvements may need to be made in this area, including the play ground. Suggestions are welcome for improving this public park which includes the strip of land that connects to Chugg Lane.

Millennial Park (2000 North)

At the present time, the main use of this area is for soccer practice fields and a walking path. Please offer suggestions you may have for improvements, or suggest other realistic amenities you might like to see there.

North Park/Detention Basin (2150 North 700 West)

This area is completely fenced, and it has been suggested as a possible "Doggie Park." Would you favor this proposal?

Other

The park committee has discussed constructing a dirt BMX track (unmotorized bicycle) in one of the city parks. This would be a low cost-low maintenance feature. No lights would be installed so it would be for daylight use only. Would you support this feature? Yes No
