

In a home
fire, can your
family safely
escape in just
2 minutes?

Home fires claim seven lives every day, but you can help change that. Join our national movement and pledge to keep your family safe by taking 2 simple steps:

Practice your
2-minute drill.

Test your smoke
alarms monthly.

Between April 8 - May 8, American Red Cross volunteers will also *Sound the Alarm* by educating 100,000 people nationwide about home fire safety.

We'll help individuals and families create an escape plan to practice their 2-minute drill and partner with fire departments to install smoke alarms by appointment where it's safe to do so. All participants will be entered into a prize drawing!

Visit SoundTheAlarm.org/Utah to register for your **FREE** virtual home fire safety education appointment!
