## NEIGHBORHOOD WATCH PROTECT OUR PARKS

One of the most cherished assets of our community is the wonderful parks we enjoy. Harrisville City has invested much in rebuilding and renovating our parks in recent years. Numerous volunteers have given countless hours of service on park projects, and new features and upgrades have been added like the splash pad, new play ground equipment, and upgraded facilities. Unfortunately, vandals have damaged our parks. This senseless vandalism is costing you the taxpayer, and it is detracting from the beauty of our community. If you see suspicious activity going on at the park, report it immediately by calling dispatch at 801.629.8221. If there is an emergency at the park, call 911. Our community counts on each other to keep watch over our neighborhoods and park. It's okay to report suspicious activity; it may be a crime in progress. If you have any information regarding vandalism in the parks, please report it to dispatch at 801.629.8221. Together we can keep our parks safe and enjoy these cherished open spaces.

**DOGGY  
BAGS**

For those who enjoy walking the parks and neighborhoods with their furry friends we would ask you to please be considerate of others by *cleaning up after your pets*. Also remember that it is unlawful for any animal to run at large. Always keep your pet on a leash and remember to carry extra bags for cleanup. Help do your part in keeping our community clean and safe.

## Summer Watering

The hot dry summer months are here. With limited water supplies, Pine View and Weber Basin Water Conservancy District recommended some tips in watering yards and lawns. Businesses, churches, government buildings, and city parks are to water during the day to allow enough water pressure so that residents can water at night.

1. Residential irrigation is optimal between the hours of 5:00 p.m. and 10:00 a.m.
2. Repair leaky joints or pipes to conserve.
3. Avoid watering during and after rain storms.
4. Keep your sprinklers off streets or sidewalks
5. Avoid over watering.

Those residents who are part of an irrigation company are subject to the irrigation restrictions enforced by the respective irrigation company. May we work together to conserve water this summer.

## Virtual Museum Start Up

You probably have some antiques around your home reminiscent of times past when these items were a part of everyday life. The Harrisville History Committee is going to establish a virtual museum on the Harrisville web page at [www.cityofharrisville.com](http://www.cityofharrisville.com). This virtual museum will include photos of historical items which deserve to be remembered and preserved. The hope is that this will connect us more with our past, and give us a greater appreciation for the conveniences we have today. This is how you can participate:

### SMART PHONE:

1. Access, complete and submit the form on the city web page according to the directions.
2. Take the picture.
3. Name the file with your name. Please number the items if submitting multiple photos. (i.e. Hannah Heritage 1, Hannah Heritage 2, etc.).
4. E-mail the labeled photos to [harrisvillehistorycommittee@gmail.com](mailto:harrisvillehistorycommittee@gmail.com)

### REGULAR CAMERA:

1. Access, compete, and submit the form on the city web page according to the directions, or print the form, fill it, out and submit a paper copy with the photos.
2. Take the picture.
3. Name the file with your name or label your photos. Please number the items if submitting multiple photos. (i.e. Hannah Heritage 1, Hannah Heritage 2, etc.).
4. E-mail, mail, or deliver your labeled photos to the city building 363 West Independence Blvd., Harrisville, Utah, 84404.

### NEED HELP:

If you are not accustomed to using and sending information electronically, please call Shanna Edwards at 801-782-4100 (extension 1004). Leave your name and phone number, and request. We will call and make an appointment to come to your home, bring the application, and take a picture of the item(s).
