POLICE NOTES

Lock up your valuables. Unlocked cars, bikes, equipment, ATV's, etc. make you a target. All it takes is a few minutes for you to become a victim. The best protection is to lock your doors, shut your garage, and secure your valuable items out of sight of would be thieves.

SPRING CLEANING DAYS AND TREE TRIMMING

Spring is right around the corner and it is time to take advantage of our Spring Clean-Up Days, April 18-22. Specific waste containers for regular garbage debris and green waste will be available at the Harrisville Main Park, 1350 N. Highway 89, during the Spring Clean Up for disposal. As part of the spring cleaning this year, we ask you to trim and remove obstructive trees and branches on your property or in the park strip. Trees overhanging sidewalks should be trimmed to the height of 8 feet in order to meet code requirements. Trees overhanging roads are to be trimmed to 16 feet as well. Diseased trees and vegetation should be removed and disposed. Trees or vegetation that obstruct or threaten sidewalks, waterways, culverts, pipes, storm drains, or utility lines should also be trimmed or removed. Our annual community spring cleaning days are a perfect opportunity to get outside and enjoy the warming weather as we make Harrisville City a beautiful place to live and work. Thank you to everyone willing to help your neighbor or others who struggle to maintain their yards and spaces. We can work together to keep our community safe and beautiful.

NORTH VIEW FIRE DISTRICT

It's becoming that time of year again, the weather is warming up, the snow is mostly all melted and our yards are starting to come back to life. As many of you clean your yards and gardens I would just like to remind you of the process of open burning. The open burn season for Weber County is March 30-May 30 during the spring months and there will also be a possible burn season in the fall during the time of Sep. 15-Oct. 30. Just like previous years you will need to obtain a burn permit prior to igniting a burn. You can obtain a burn permit either by telephone, internet or through the mail. Internet The open burn permit application can be completed online at www.airquality.utah.gov. Completing this form online is the easiest and fastest way to complete the open burn permit application. An electronic copy of the application is automatically submitted to the county or municipal fire authority upon completion and is kept on file at our office. Telephone An applicant can call the Department of Air Quality at 801-536-4000 and complete the open burn permit application process over the phone. A DAQ inspector will ask the applicant for the required information and complete the application in just a few minutes. Mail A hard copy of the application may be completed and submitted by mail to DAQ for electronic processing. To request a hard copy of the open burn permit application, contact DAQ by phone at 801-536-4000. Note: It may take up to 14 days from the date of request to receive an open burn permit if a hard copy is submitted for processing. On the day that you want to burn you will need to check to make sure that it is a green burn day and that the clearing index is over 500. You can either check our website each day at www.northviewfire.com, call Weber Dispatch at 801-395-8221, or by logging onto the Utah Air Monitoring website at www.airmonitoring.utah.gov. Just as in the past we will still have the authority to require extinguishment of the fire in cases where the smoke is becoming a nuisance to neighbors and if burning rules aren't being followed. If you have any questions you may call us at (801)782-8159

NO SOLICITING

As the weather gets warmer, door-to-door solicitors will be making their rounds through the city. There are a few things residents should be aware of. All solicitors are required to be licensed by the city. Their license will be laminated with a picture ID, issued by Harrisville City, stamped with the city seal, and prominently displayed. Persons exempt from this would be those representing charitable or non-profit organizations, including students, or those disseminating religious or political information. Everyone must respect no soliciting signs and leave as soon as you voice your disinterest. Please help get the message out that anyone soliciting without a license in Harrisville is not welcome. If you encounter someone that is not properly licensed please explain to them that it is not legal for them to be in our city. If they do not leave the neighborhood call the nonemergency dispatch number (801) 629-8221.

Doggy Bags

For those who enjoy walking the parks and neighborhoods with their furry friends we would ask you to please be considerate of others by cleaning up after your dog. Also remember that it is unlawful for any animal to run at large. Always keep your pet on a leash and remember to carry extra bags for cleanup. Help do your part in keeping our community clean and safe.
