BUSINESS LICENSING

Home based, commercial, professional, retail, service trade, solicitors, temporary or manufacturing, to include all business licensing. If you have not renewed your business license, you are in violation of operating a business without a license. A late fee after January 1st of 25% will be in effect. After February 2nd, a late fee of 50% will be added. Please come into the city offices at 363 West Independence Blvd. to ensure your business will remain open. If you are opening a new business, or going to run any kind of business out of your home, it is your

responsibility to obtain a business license. We would be happy to assist you with the process of obtaining a business license.

Winter Parking

Winter is here! Please remember the winter parking ordinance begins November 1st and remains in effect until April 1st with no parking on city streets between the hours of 1:00 a.m. and 9:00 a.m. Adhering to the parking ordinance helps our Public Works Dept. keep our streets clear and safe during winter months. Remember, vehicles parked on the road during or after a snow storm impede snow plowing and may be towed at the owner's expense. Home owners are responsible to remove snow from sidewalks in front of their home and private driveways. Although it can be inconvenient to remove snow pushed in front of driveways by the snow plows, our drivers cannot prevent this. Please avoid pushing/shoveling snow back into the roadway after it has been plowed. Everyone will enjoy the winter season more by working together and lending a hand to those who need help removing the snow. Thanks for your cooperation!

COMMUNITY GARDENS

Applications are now being accepted for the community garden plots. The plots are 8'x8' raised bed plots located on the east side of the city offices. There is no cost but application must be made in person during our regular business hours. For more information contact Jennie Knight at (801) 782-4100 ext. 1000.

Snow Removal

Please remember that putting snow back out in the street is illegal as well as parked cars and other obstacles that may impeded snow removal. If a pile of snow is left out from going around an obstacle or put in the street, chances are it will affect your neighbor more as well it may remain there for several weeks if frozen. Pile the snow so it will not encroach on the City streets. Contact the Harrisville City Police Department at 801-782-9648 ext. 1001 to report violations.

LIVING WELL WORKSHOP

We all fall down, but for older adults it can be a serious, even fatal, incident. Learn specific exercises and tips to prevent falls from happening to you and your loved ones by attending a free seven week workshop called Stepping On. Workshop begins Jan. 11 at 1 p.m. at North View Senior Center (495 E 2600 N, North Ogden). Visit livingwell.utah.gov or call 801-710-7024 to register for the workshop.
